JOSIAH TURNER, JR., EDITOR.

NEW HEALTH MAXIMS.

Dr. Dio Lewis pronounces some rather startling propositions in his book on hygiene. For instance:

Potatoes, both Irish and sweet, are very poor food for brain and muscle.

The common notion that our health and life depend upon a mysterious Providence is downright infidelity. A child goes out of a hot room with naked arms and legs in pursuit of its daily supply of poisoned candies, and then dies of croup. Is that a mysterious Providence? A man indulges until he gets the gout, and disease attacks his heart and kills him, is his death a mystery?

The reason that the American people are such dyspeptics is that they eat and drink so much, and eat and drink so fast.

The teeth will not decay if they are kept clean. A tooth brush is a good thing, but one good tooth-pick is worth an armful of tooth brushes. There is a gentleman now living in New York city who has three beautiful front teeth which he purchased from the mouth of an Irishman. His own teeth were removed and instantly Patrick's were transferred.

The word biliousness is a sort of respectful cover for piggishness. People are not bilious who eat what they should.

The Greek and Roman armies ate but once a day.

The common impression that tomatoes are the healthiest of all vegetables is a mistake. If eaten at all, it should be with great moderation, and never raw. Tomatoes have sometimes produced salivation. Dr. Lewis knew a young woman who had lost all her teeth from excessive eating of tomatoes.

Pies and cakes are poisonous.

To healthy persons mineral waters are not wholesome.

Corsets are most injurious to digestion. Their use finally results in an immense and very ugly protuberance of the abdomen.

Those who suffer from heartburn should avoid soups, drink nothing at meals, say "No, thank you," to pies and cakes, and go without supper.

If you wish to live to eighty-five, in the full enjoyment of all your faculties, go to bed at nine o'clock, and eat twice a day a moderate quantity of plain food.

The Solons in Senate assembled, it is greatly to be feared, will deny Gov Vance, the recently elected Senator from North Carolina, a seat within their body, on account of his connection with the rebellion. Had Governor Vance, since the surrender, betrayed his friends and neighbors for personal aggrandizement; had he been an apostate to his political faith and sold his principles for a Radical bribe, he would have been welcomed with open arms and placed high in the councils of the men who now reject him. Everything like gratitude, consisting of good faith, the majority hold in abhorrence; the presence of an honest, upright man being as unwelcome to them as would be the presence of Mr. Bergh at Kit Burn's rat pit. No doubt Gen. Butler's swindling disability bill is artfully framed for the purpose of covering this and similar cases, an irruption of honesty into the councils of the nation being one most dreaded of all misfortunes by the ring he represents.

There is some consolation, however, to be found in the fact that this opinion is not generally shared in by the Senate; that among them are to be found men superior to such degrading considerations, who hold that a is the worst of all policies which deprives a people of their natural and chosen leader. In good time the ideas of the latter will prevail, but not in time, perhaps, to say: Gov. Vance.—*N. Y. World.*

One of those mysterious atmospheric phenomena known as "a shower of blood" occurred on the 2d instant about six miles south of Sulphur Springs, in Texas. A gentleman named Bussy was seated with his family around the breakfast table in the yard of his residence. Not a cloud was to be seen in the blue vault above, when suddenly upon the astonished party fell what can be termed a rain or shower of blood, which lasted some eight or ten seconds. The drops of blood—about the size of squirrel shot—pattered upon the dishes, food, and all around. For one hour the leaves, grass, and the table at which the family had been seated, as also the clothing of the family, bore the distinctly visible marks of blood. A similar event happened in Tennessee about twenty years ago, and since that time snakes and frogs have fallen in various localities. A scientific explanation has been given of the cause of this phenomenon, but, unhappily, we do not quite recall it at this moment. But we may safely say that, like everything in nature, this strange descent from the atmospheric system could be readily understood—if we could but account for it.

"THOU ART THE SAME."—What a fountain of comfort is to be found in the thought of the *immutability* of God! Change is our portion here: "They shall perish" is the brief chronicle regarding every thing on this side of heaven. The firmament above us, the earth beneath us, the elements around us,—"all these shall be dissolved." Scenes of hallowed pleasure—they are fled! Friends of many years, who sweetened our pilgrimage with their presence—they are gone! But here is a sure and safe anchorage amid the world's heaving ocean of vicissitudes, "*Thou art the same*"! All is unchanging but the Unchanging One!

Washington advices to some of the Northern papers say it can be stated on excellent authority that the Senate finance and House ways and means committee will agree to a bill for $400,000,000 five per cents, and that such a bill will pass the two houses of Congress.

The Washington correspondent of the New York Tribune says that Gov. Vance will not be admitted to a seat in the Senate. We are afraid this will be so.

An exchange says "Gen. Hooker is for war with England—war to the knife." So is Gen. Butler, with the simple difference that he is for war, not to the knife, but to the spoon.

The President stock-to-the-San Domingo land swindle with the ardor of a man who is sure he will make at least one thousand per cent. on the investment of somebody else's money.

The New York *Sun* (Radical) avers that the Radical party, as represented by the Administration, is accumulating for itself a wealth of contempt unprecedented in the history of political parties.

PROF. CHANDLER of New York City, in a lecture delivered by him at Cooper Institute, March 2d, 1870, said:

"It is hardly necessary to enlarge upon the terrible accidents which have resulted from the use of unsafe kerosene; you have only to read the newspapers from day to day to see them. It is stated by some that these are exaggerated; that these accidents never occur, and that you and I never had a friend burned to death; still we do have an enormous number of terrible accidents from petroleum. In the last seven months of 1869 there were fifty five kerosene accidents in New York, resulting in twenty-three deaths, eighteen serious injuries and fourteen slight ones. The total result for the year 1869, for the City of New York which I myself have cut from newspapers is fifty-two fatal accidents from dangerous kerosene, fifty severe and six slight, in all 108 persons to, my knowledge, from my own reading have been injured by kerosene in one year."

J. H. HORNER, } Associate Principals.
R. H. GRAVES, }

THIS SCHOOL which has been for the last twenty years under the exclusive charge of J. H. Horner, will henceforth be conducted under the joint supervision of the above principals, with competent assistant instructors in every department.

The course of study has been extended, and boys will be thoroughly fitted for advanced classes in College, especial reference being had to the qualifications requisite to admission into the Senior classes in the University of Virginia, of Washington Lee University. The latter of which has again conferred upon the school the honor of a scholarship in that Institution.

A regular course of study in Natural Science, Commercial Science and the Modern Languages has been added to the school for those students, who, desiring to acquire only a complete business education may wish to substitute these studies for Latin and Greek.

No pains will be spared to render the instruction in the school efficient and to furnish to students the most ample facilities for thorough preparation for College or for the acquisition of a good business education; and the principals flatter themselves that their long and successful career as teachers is a sufficient guarantee that the school will be in all respects worthy the public confidence and support.

The Spring Session will open the second Monday in January.

Circulars containing terms and full particulars furnished upon application to either of the principals.

WE see a great deal in the papers about the coming exhibition of Col. Simon Hayes' New Circus, &c. When it does come, it will no doubt be a grand affair, for the Colonel is some in his role and says, and does a great many funny things. Besides all this the Colonel is the best looking man in town, which is accountable for from the fact that he is a pat on of

Now let me say a word or two about my own exhibition. I have on exhibition the finest stock of Cigars in the State, and at the lowest prices.

I have on exhibition the largest and best assorted stock of Smoking Tobacco in the state.

ARTFUL DODGING.

During the consideration of the bill to call a Convention of the people, in the Senate, last Thursday, Moore, of Craven, moved to strike out the 42th section, which restricts said Convention from interfering with the homestead. Mr. Jones, in order to see who in the Senate was willing to turn loose the Convention on the homestead, called the yeas and nays.—Beasley, Flythe, King, Moore, and Price, col., voted to strike out the restriction, but before the vote was announced, Beasley, Flythe, King and *Moore* changed their votes to the negative, so it turned out that *Moore voted against his own motion!*

Lehman, who first voted in the negative, changed his vote to the affirmative, and thus took position by the side of his friend Price.

On Thursday night, when the same bill was under consideration, Mr. Moore moved to strike out all restrictions upon the Convention, but his friends did not sustain him and he left the Hall and did not vote on his own motion.

INSURGENT RADICALS.

The insurgent Radicals of Alamance are making much ado over the Senate's allowing Billy Smith to blow his horn in the Senate chamber for three weeks and then declaring his seat vacant. Judge Pearson solemnly and judicially declared that the Sheriff of Alamance could not execute a writ on Kirk or summon a witness, and Billy Smith and his Radical friends acquiesced in this as good law. Now they complain because the Sheriff of Alamance was not allowed to open polls and hold an election. How could he do so if he could not execute a writ or serve a summons.

Alamance and Guilford form one Senatorial district; the votes of the Alamance portion were illegal and not counted; Col. Gilmer and Dr. Moore received a majority of the legal votes cast in the district; Dr. Moore declines to take his seat and hence the special election. The difference between Col. Gilmer and Maj. Smith is this, Col. Gilmer received a majority of the legal votes of his district and Maj. Smith didn't.

DIABOLICAL AND INFAMOUS.

Such are the terms used by Ashley and Martlin in the *Standard*, when they speak of the bill allowing men to challenge illegal voters at the polls. To challenge at the polls was always allowed in North Carolina until Ashley, Martlin and Littlefield came among us. Since these "*gentlemen*" came, the State has been robbed, and honest men have seen negroes of eighteen years old vote, and the carpet-bag law forbade them saying a word.

There can be no honest reason assigned why an illegal voter should not be challenged at the polls. It was always the law until thieves and swindlers ruled in North Carolina. It is reasonable, fair and just, and hence the Pilgrim cries out, "damnable and infamous."

PREPARING FOR THE DEFENSE.

We learn that Gov. Holden, in anticipation of his trial before the Senate, contemplates securing the services of prominent Conservative lawyers to defend him. We advise him not to lay that "flattering unction unto his soul," for no Conservative lawyer of character and reputation will defy public sentiment to such an extent as to defend such a notorious and culpable violator of the law, the constitution, right and justice; especially after they have all, time and again, proclaimed his guilt, and demanded his punishment. Let Sam. Phillips, Rotating Dick, Bailey, and Boyden, who have sold themselves to Holden and Pearson, and lent themselves to aid in the persecution of the honest and innocent people of the State, defend the Governor at the bar of the Senate.

COMPLAINTS OF THE PEOPLE.

Members of the Legislature from the West have received letters complaining that news has reached that section to the effect that the Legislature had passed a bill paying Kirk and his men for the time they were outraging the people, and carrying out Gov. Holden's war measures.—We are most happy to announce that no such bill has passed, nor is likely to pass; but if there is any virtue in law and equity, the Legislature will see if Dave Jenkins, the Treasurer, and the Governor cannot be made to refund the amount they took from the Treasury for the purpose of paying Governor Holden's unlawful expenses.—The people would have just cause to complain if the Legislature was to violate the trusts confided to them to such an extent; but we feel safe in saying that such will not be the case.

JAMESTOWN.—The last issue of the Greensboro' *Patriot*, contains a timely article upon the above subject. It has the true ring, and such as we would expect from Mr. Duffy, its able and graceful editor. We are pleased to assure him that the Legislature will do its duty in the premises.

NORTH CAROLINA IN THE U. S. SENATE.

In the proceedings of the U. S. Senate on Friday last we find the following:

"Senator Morton offered a resolution requesting the President to communicate to the Senate all information he may have relative to organized bodies of disloyal and evil-disposed persons in the State of North Carolina, which have in view or threaten resistance to the execution of the laws of the United States, or the denial to United States citizens of the equal protection of the laws and their rights under the Constitution; and also, what murders and outrages for political purposes have been committed by such organizations. The resolution was adopted."

We have no doubt but that the President has "all" necessary "information" to satisfy the purpose of this resolution. The *Standard* office during the past summer printed circular after circular of "Ku Klux outrages in North Carolina," which were sent to Washington City by the hundred, and to members of Congress. Mr. Joe. Holden has been in Washington since his late defeat in this District, and the above resolution is the joint work of the infamous misrepresentations of the aforesaid circulars and Mr. Holden.

These circulars contain very little, if anything, but the evidence of suborned witnesses, persons of notoriously bad and corrupt characters, whose oaths would not be regarded by honorable men,—all compiled and arranged by shrewd, calculating men, who are adepts in villainous designs and purposes. They are foul libels upon the good people of the State, who are as law-abiding and law-loving as any in the world.

That violations of the peace of the State have taken place, we admit. We acknowledge that certain instances have occurred where persons, for some cause, have been taken, contrary to law, and outraged, hung, whipped, their property destroyed, and injured in various ways. But with this, violations of law are not more frequent in this State, than in other States of equal population. And we know that it is true, when we say that ninety-nine hundredths of the people of the State deprecate such lawlessness, and will avail themselves of all lawful measures to put it down and bring the perpetrators to punishment.

We are aware that it is the determination of the Governor and others to make it appear that the object of these lawless acts is for the purpose of resisting the execution of the laws of the United States; that it is to, practially, subvert the laws guaranteeing to a certain class of our citizens the rights, privileges and immunities accord to them by said laws; and to make it appear to the people of the country that a "Republican form of government" is not allowed to exist in North Carolina, on account of "organized bands of disloyal and evil-disposed persons." And we are also aware that the Governor and his Radical allies in this State attempt to show that these outrages are for "political purposes."

We assert, upon our honest conviction, that the whole of this is untruth, and that Gov. Holden knows that it is such. There is no "organized body of disloyal" persons; no desire or effort to resist the execution of the laws of the United States; no desire to deny citizens of any class their equal rights under the laws and the constitution.

The object of *Mr.* Joseph Holden's visit and stay in Washington is coming to light. The villainies of his party in this State were so overbearing and infamous that the people have risen up and put it out of power; and the unlawful and unconstitutional measures inaugurated by his father as Governor of the State, are receiving only such punishment as the people, according to the Judges of the State, could bestow, viz: impeachment. Therefore the people must again be slandered, misrepresented, in order to procure, if possible, Federal interference with the will of the people, both as to the displacement of the Radical party from power, and the impeachment of the Governor.

What the government may attempt, in the premises, we are not able to say; but that the people of the country will permit the Congress of the nation to interfere in the local elections of the several States; set aside the judgment of the people; set up a national espionage over the State governments; sustain illegal measures on the part of partizans and corrupt politicians because done in the interest of a party to which a majority in Congress happen to belong; we do not believe. The action of *Missouri* recently, satisfies us upon this point. True Republican government are what the people of the country want and are determined to have, and the action of the general government to manipulate, both National and State affairs in the interest of a dominated party, regardless of constitutional law, and of the principles of Republicanism, will be justly rebuked and condemned. The ball which is to crush these oligarchs; these violations of law; these despoilers of the people's rights, has been set in motion; and may it roll until not a vestige of their power remains. Then, and not until then can we have peace in the public mind, a just execution of the laws, a proper regard for the private and political rights of one another, and a thorough performance of every duty upon the part of those elected to office. Let the good time soon come.

NO DEFENSE.

Our friends in the Legislature and elsewhere must remember that our general policy has been, not to notice the scurrility, lies and misrepresentations which the *Standard* is engaged in the daily manufacture of. We have heretofore pursued this course because not one in twenty of the Republican party in the State can read, and not one in twenty of those who can read ever see the *Standard*; hence, if we do not notice its fulminations they die out and are buried in the bosoms of Ashley, Martlin, Rotating Dick, Billy Smith, Windy Billy Henderson, Sam Phillips, Cuffy Mayo, Friday Jones and a few other dead heads of the party.

When Billy Smith, in the exuberence of his party zeal, ventured some of his money, and took a personal partnership in the *Standard* establishment, he placed himself in a position for obtaining a little of that useful article called *experience*, and it was not long before he had obtained enough of it to enable him to exclaim, with an expletive beginning with a "d" and ending with "-ation," that he was "tired of publishing a paper for a party, the great bulk of which were unable to read, and the rest were all *dead heads*.

It is only by noticing the tirades and abuse of the *Standard* that they can obtain publicity to any great extent, and even should they be universally read, the paper is so well known that its praise or blame is clothed with no moral force. The paper, at last under its present auspices, was "conceived in sin and is (daily) brought forth in iniquity," and therefore we think that, to undertake a fight with it on any subject, would be like shooting June bugs with a musket. The game would not be worth the ammunition.

Legislature of North Carolina.

SENATE.

NIGHT SESSION.

SATURDAY, Dec. 17, 1870.

The Senate met at seven and half o'clock, Mr. Graham in the Chair.

On motion of Mr. Troy, the bill to restore to the Western Railroad Company its original chartered privileges, to regulate the appointment of State Directors, and to define the vote of the State in the general meetings of the Stockholders of said Company, was taken up and amended by striking out the proviso incorporated in the bill several days ago, and passed its final reading.

SPECIAL ORDER.

The consideration of the bill relating to the call for a Convention by the people, was resumed and was discussed at length.

Messrs. Warren and Dargan spoke at length in support of the bill. Their speeches were able and eloquent, and we expect to publish them in full in a few days.

Messrs. Robbins of Rowan, Cook and Worth followed in short but forcible speeches in support of the bill.

G. W. Price, col., spoke in opposition to the bill—was opposed to a Convention any way.

Mr. Jones said as it was the understanding of the Senate to discuss this bill, so that both parties would have a fair showing, the night session had been called for that purpose, a full and free discussion had been had, and he moved to postpone the further consideration of the bill until Monday morning at 10:30 o'clock, and gave notice that he should call the previous question on its passage at 11 o'clock.

The motion prevailed, and the Senate adjourned.

The Senate proceedings of Monday, on account of the unusual length of the session, could not possibly be gotten up in time for to-day's western edition, we will give them to-morrow. The session was consumed in consideration of the Convention bill.

HOUSE OF REPRESENTATIVES.

MONDAY, Dec. 19, 1870.

House called to order at the usual hour. Prayer by Rev. Mr. Grayson of the House.

Journal of yesterday read and approved.

Mr. Marler changed his vote from the negative to the affirmative on the question of concurring in the Senate's amendment to the *per diem* and mileage bill.

The chairmen of various Committees submitted reports.

Mr. Dunham, from the Committee on Privileges and Elections, reported that Mr. Fisher of Bladen, was entitled to his seat in this House.

The Committee was discharged from the further consideration of the matter.

By Mr. Cliard: A resolution for night sessions; placed on calendar.

By Mr. Brooks: A bill authorizing the Commissioners of Brunswick, to fill vacancies occurring in their body; referred.

By Mr. Duckworth: A bill in relation to assault and battery; referred.

By Mr. Martin: A bill to authorize the Treasurer to use certain funds now in the Treasury to meet the expenses of the State government; referred.

By Mr. McNeill: A bill in favor of W. J. Brown of Robuson county; referred.

By Mr. Ashe: A bill to regulate the appointment of guardians *ad litem*; referred.

By Mr. Justice: A resolution to request Congress to allow citizens of this State to distil grain under the same regulations as are prescribed for the distillation of fruit; placed on the calendar.

By Mr. Lassiter: A bill to make Deep River a lawful fence in certain portions of Randolph county; referred.

By Mr. Robinson: A resolution amending a resolution in relation to stationery; placed on the calendar.

By Mr. Hill: A resolution in regard to the *per diem* of members on leave of absence; placed on the calendar.

By Mr. Hardy: A resolution to restore the credit of the State; placed on the calendar.

Mr. Martin, from the House branch of the Select Committee on *per diem* and mileage, submitted a report.

The rules were suspended and the report was taken up (gives members $5 per day and 20 cents mileage and is the same bill that passed the House some days ago and which the Senate amended, reducing the *per diem* to $4 per day and mileage 10 cents, and the House refusing to concur in the amendments a Committee of Conference was had, which resulted in the House branch of the Committee reporting in favor of the provisions of the original House bill.)

Mr. Sparrow moved a concurrence in the report.

Mr. Marler hoped the motion to concur would not prevail.

Mr. Robinson was also opposed to a concurrence in the report.

Mr. Crawford opposed a concurrence.—After reflection, he had come to the conclusion that $4 per day was sufficient.

Mr. Martin urged a concurrence.

Mr. Sparrow said he understood that the Senate had voted down the motion to concur in their body and it made no difference what action the House might take in the matter. He hoped the debate on the subject would cease and a vote taken.

Mr. Marler said he had come here pledged to economy and reform, and was in favor of commencing with their own emoluments. He was a low *per diem* man and was opposed to a larger *per diem* than $4.

Mr. Rankin also agued against the motion to concur, and thought $4 per day an ample compensation when one took into consideration the embarrassed financial condition of the State.

The previous question being called, on motion of Mr. Sparrow, a vote was taken and the motion to concur was defeated by the following ballot:

YEAS.—Messrs. Broadfoot, Bryan, of Jones, Bunn, Buxton, Cawthorne, Chamberlain, Collis, Copeland, Dudley, Ellison, Faulkner, Fletcher, Garrison, Gatling, Goodwyn, Gullick, Gregory, Harris, of Franklin, Hargrove, Hardy, Henderson, Johnson, of Edgecombe, Jones, of Northampton, Justice, Lyon, Martin, Mabson, Morgan, of Montgomery, Newsome, Page, Parrott, Reavis, Reid, Regan, Robbins, Smith, of Halifax, Smith, of Wayne, Stanford, Stewart, Sykes, Tucker, Willis, Wilcox and Young, of Wake.

NAYS.—Messrs. Anderson, Armstrong, Atwater, Brooks, Bryson, Carson, Clinard, Crawford, Currie, Dickey, Duckworth, Dunham, Farr, Gambrel, Grayson, Hampton, Harris, of Guilford, Houston, Hill, Johnston, of Buncombe, Johns, Jones, of Caldwell, Joyner, of Johnston, Jordan, Kelly, of Moore, Kelsey, Lassiter, Marler, Maxwell, McAfee, McCauley, McNeill, Morris, Mills, Mitchell, Nicholson, Nisson, Phillips, Powell, Rankin, Robinson, Scott, Settle, Shull, Smith, of Anson, Strudwick, Tomlinson, Welch, Womack and York.

By Mr. Dunham: A bill in relation to *per diem* and mileage. [Bill gives presiding officers $7 per day, members $4, clerks $5, door keepers $4, and 15 cents mileage by the most direct route.] Mr. D. moved to suspend the rules and take up the bill at once. The motion was lost and the bill took its place on the calendar.

Mr. Broadfoot moved to suspend the rules and take up the bill in reference to the city of Fayetteville; lost.

SPECIAL ORDER.

Resolution in regard to taking a recess.

Mr. Johnston of Buncombe moved to postpone the consideration of the resolution until Wednesday next at 12 o'clock. The yeas and nays were called, and the motion was sustained by a vote of yeas 49, nays 45.

Mr. Sparrow moved that another committee of conference be asked of the Senate, to consider the question of *per diem* and mileage.

After some discussion, Mr. Sparrow called the previous question. The call was sustained, and the motion for a conference was put and carried by a vote of yeas 61, nays 23.

Mr. Scott, from the Committee of 7, appointed to draft articles of impeachment against W. W. Holden, Governor of North Carolina, submitted a report setting forth a number of articles of impeachment against the Governor. (The articles elaborately set forth the various and flagrant infractions of the Constitution by the Governor in his recent war against the people of Alamance and Caswell counties, his crimes and outrages against the liberties of other citizens of the State and other crimes and misdemeanors in office. The document is so voluminous that it is impossible to incorporate it in this report, but will be given *in extenso* as soon as possible. At the conclusion of the reading of the articles, *Mr.* Welch offered a resolution to go into Committe of the Whole for the purpose of considering the articles of impeachment and to nominate by ballot a board of 7 managers to conduct the trial before the Senate, which was adopted.

The House then resolved itself into the Committee of the Whole.

Mr. Strudwick was called to the Chair.

On motion of *Mr.* Welch it was agreed to consider the articles of impeachment *seriatim*.

The Clerk read the 1st article, impeaching the Governor for unlawfully sending troops into Alamance county, and unlawfully restraining certain citizens of their liberties, which was adopted.

The second article in relation to corruptly proclaiming Caswell county in a state of insurrection and through the instrumentality of a band of lawless men, desperadoes seizing and restraining of their liberties certain citizens of said county, was read and adopted.

Article 3rd, in reference to the unlawful assault and arrest of Josiah Turner Jr., of Orange county in the streets of Hillsboro, was read and adopted.

Article 4th, in reference to the seizure and detention of John Kerr, S. P. Hill and many other citizens of Caswell county, was read and adopted.

Article 5th, in reference to the Governor refusing to obey a writ of *habeas corpus*, issued by Judge Pearson, in behalf of A. G. Moore of Alamance county, was read and adopted.

Mabson, col., moved that the Committee should rise and report progress; lost.

Article 6th, in reference to the refusal to make returns to the writs of *habeas corpus* for the appearance of certain citizens of Caswell, unlawfully held in confinement by his order, was read and adopted.

Article 7th, in reference to organizing, equipping and arming a band of desperadoes from this State and Tennessee, which were placed under the command of three other Tendessee desperadoes, to wit, Kirk, Burgin and Yates, and hurling them upon the people of Alamance and Caswell counties, and confining Josiah Turner, Jr., and F. A. Willey in a dungeon, &c., was read and adopted.

Article 8th, in reference to drawing enormous sums from the Treasury of the State to further these criminal and unlawful military movements, was read and adopted.

On motion of Mr. Jarvis, the articles, as a whole were adopted.

Mr. Jarvis offered a resolution that the Committee of the Whole now proceed to elect a Board of seven Managers to conduct the trial before the bar of the Senate, and that the Committee recommend such Board to associate with them counsel learned in the law.

Mr. Justice was opposed to the resolution.

Mr. Phillips wished to know if there was any precedent for such a proceeding.

Mr. Sparrow replied that there was, and alluded to the Andrew Johnson impeachment case, when the Board of Managers in that case were authorized to employ counsel if they wished.

The resolution was put to a vote and adopted.

Mr. Robinson nominated as managers Messrs. Sparrow, Gregory, Dunham, Welch, Johnston of Buncombe, Scott and Broadfoot.

The Republican side of the House made no nominations.

A ballot was had and the gentlemen nominated by *Mr.* Robinson, having received a majority of the votes cast were declared elected.

On motion of *Mr.* Sparrow, the Committee arose, and

Mr. Strudwick, the Chairman, reported progress, and asked to be discharged.

The House then concurred in the report of the Committee of the Whole.

NOTE.—During the debate on the motion to concur in the report of the Special Committee on *per diem*, Mr. McAfee stated that more time and money had been expended in unnecessary discussion than the matter was worth, and he would, but for this fact, say something on the matter. He had all the time contended that $4 per day and 10 cents mileage was sufficient to pay the fair and reasonable expenses of the members of the General Assembly, and though he had voted once for 15 cents milage, he had done so simply to compromise matters and to get rid of a useless expenditure of money in discussing the matter. He had always contended that $4 per day and 10 cents per mile was a fair and ample compensation.

OFFICE NORTH CAROLINA LAND AGENCY, B. P. WILLIAMSONS NEW STORE.

MR. EDITOR, SIR:—I was delighted and agreeably surprised at the liberality of my old associates who have been connected with me in the Land business for the past two years, on reading their notice in to-days paper calling the attention of the public to the advertisement of the North Carolina Land Agency in B. P. Williamsons new Store. I did not make the request; it was voluntary on their part, and shows what an indelible impression I must have made by my indefatigible exertions to induce immigration to our good old State while working in their behalf. I might have expected this from some of the old Directors and officers, but must say I did not think for one moment that the new one from abroad, and the governd gentlemen of this place would have contributed to this charitable fund of advertising for us so soon after their joining the Company.

OFFICE OF

THE NORTH CAROLINA LAND AGENCY.

B. P. WILLIAMSON'S NEW STORE,
Corner of Fayetteville and Martin Sts.
RALEIGH, N. C., Dec. 1870.

TO LAND OWNERS:—The object of this enterprise since its commencement now nearly two years, has been and will continue to be to induce immigration to our State, and to turn the tide from the great West to our sunny South; also to call their attention to the superior advantages and inducements we hold out over all other States.

Now being the season of the year when farmers and others have leisure to travel, and many are visiting our State, examining farms with a view of purchasing, to come and make their homes with us, we would particularly request all land owners, who have land to sell or lease, and wish to find buyers for the same to call at our office or address us as below. There is scarcely a day goes by but what we receive letters making inquiry, and as it costs nothing to try to sell through this Agency, and as many are anxious to find customers that all can avail themselves of this opportunity of offering for sale land of every kind, our charges being only two-and-one-half per cent on gross amount of sales, for advertising and all other expenses included, and this only when a sale is perfected. Many, I know have a delicacy in offering their lands, as they do not wish their neighbors to know that their property is on the market. This is prevented in our office, no information given unless we know the parties to be buyers, and we do not advertise any farms or lands within the State unless requested to do so. I have been trying and making every effort since I came here two years ago, to induce our land owners, to divide their large tracts, and sell one half or more to energetic men, with money, at a reasonable price, and on easy terms, to enable them to improve the part they bought. Some have taken my advice, and now the one half is worth more than the whole was, within eighteen months ago. This is the true course to be pursued, as but very few buyers from the Northern States want more than from one hundred to three hundred acres in a farm, and will give more in proportion for such tracts, than they will for the large plantations of one thousand and two thousand acres. If you want to encourage immigration, send us a part of your lands for sale, that we may offer such inducements as will bring thousands to our State.

THE MUNICIPAL ELECTION BILL.

What does the Legislature propose to do with the bill now pending, relative to municipal elections? Under the existing law said elections must be held the first Monday in January, and steps are being taken to hold them accordingly. Would it not be well for the Legislature to take some steps in the premises? We throw out this suggestion as a reminder; the matter is a pressing one.

THANKS.—We tender our thanks to B. C. Pearce, Esq., of Greenville, for a club of ten subscribers to the Semi-Weekly SENTINEL, accompanied by the cash ($50). These encouraging evidences of approval do our heart good, and inspire us to renewed exertions in behalf of the people, of constitutional law and liberty; and against thievery, rascality and roguery in high or low places.

The following circular explains itself:

Your attention is called to the fact that the *North Carolina State Musical Convention* will meet in this City on Monday, 16th of January, 1871.

The object of the Convention is to endeavor to bring out and improve the musical talent of our State. Our first Convention was in March, 1870, and we were much pleased with the success of the enterprise. It is desirable that the members of the different choirs, and others possessing any musical talent, be present. Prof. C. G. Affen, of New York, has consented to meet with us, and conduct the Convention. It will continue four or five days, and close with a concert.

You will please use your influence in inducing as many to attend as possible. Arrangements have been made with the railroads to pass all who join in the Convention for one fare.

R. W. BEST, *Secretary.*

Raleigh, Dec. 15, 1870.

We made a short statement to this effect a day or two since, and expressed our pleasure at the proposition. We hope success will attend this effort.

Gov. Holden has issued his proclamation ordering an election to be held in Alamance and Guilford on the 24th inst., (next Saturday,) instead of the 14th day of January, as heretofore ordered. Read it, in another column.

FRENCH, from New Hanover, said, in casting his vote against impeachment, that he was opposed to that species of "wild justice."

We are glad that the "Big Injun" has become civilized.

CAPTURED.—Arch Perkins, one of the prisoners who escaped from the work house last week, was captured early yesterday morning, at the North Carolina Depot, by Robert Crossin, city policeman, and lodged in the guard house of the city, where he awaits the requisition of the superintendent of the work house.

We did not inquire whether Arch was awaiting transportation to Alamance, to be ready to vote next Saturday.

ARTICLES OF IMPEACHMENT.—As will be seen by the report of the House proceedings of yesterday, articles of impeachment were presented by the committee and adopted, and a managing committee elected to prosecute them before the Senate. They will be laid before the Senate to-day at 11 o'clock.

THE SAPPHO OPERA TROUPE made their first appearance at Tucker Hall last night, in Offenbach's Comic Opera, PEPITO. The piece was well rendered, and took well. Sappho is a wonder, and bids fair to achieve greatness in her profession. She is only twelve years of age, yet displays the perception of a head much older. Misses Harold as Lilla, and Mr. Ellis, did remarkably well in their respective parts. The bill for to night is an attractive one, and from the performance last night we can assure the public a most agreeable entertainment. To morrow night UNCLE TOM'S CABIN will be presented, which is said to be grand, and as rendered by this troupe, unsurpassable. Be on hand to night.

THE SAPPHO OPERA TROUPE, are *not* Blonds, as we stated yesterday. They are just the reverse of what the last were, in every particular, especially in their want of brazen immodesty. It is a Troupe that all can patronize, and their performances such as can be enjoyed.

PUB. DOCS.—Our Representatives in Congress, Hon. John Manning, Jr., will please accept our thanks for several public documents, speeches, reports, &c., &c.

The editor of the *Rebelonian* is luxuriating on collards.—*Standard*, 17th.

COMMENDABLE RECOGNITION.—At the conclusion of the entertainment at the Deaf and Dumb Institution on Friday night, Maj. Glisson, the able senatorial representative from Guilford, proposed that a subscription be made to give to the inmates of the Institution a Christmas treat. To this the audience present responded by a good contribution; but not enough for the occasion. The members of the Legislature, we understand, propose to subscribe so much each, towards it, and we hope the citizens will also give liberally. Let these little children, and large ones too, have such a Christmas treat as they deserve. Remember, they have no homes to go to—they have no means of their own to procure little nick-nacks for Christmas; therefore, are dependent upon the kindly charity and sympathy of their friends. We know that our citizens, and the members of the Legislature will not fail to do their duty in this matter. Mr. John Nichols, or Mr. W. J. Young will receive any subscriptions that may be made.

"Capt. Thomas J. Jarvis, Speaker of the House of Representatives of North Carolina, is one of the handsomest men in the State."—*State Exchange.*

The above compliment is deserved, and we will add, that Capt. Jarvis is a bachelor, open to matrimonial overtures, and a first rate catch for any young maiden of enterprise with the necessary domestic qualifications.

PUBLIC MEETING.

According to previous notice, a meeting of a portion of the citizens of Gaston, Lincoln and Catawba counties, was held to consider the projected Railroad from the "pump" on the W. C. & R. R. to Hickory Station or Lenoir, *viz* Newton.

The meeting was organized by calling Dr. C. L. Hunter to the Chair and G. M. Wilfong and M. O. Sherrill appointed to act as Secretaries.

The Chairman explained the object of the meeting, and gave a description of the country through which the said road is proposed to be built, showing the great necessity of such a road to develope the great mineral and other wealth of the country.

Gen. D. H. Hill being called upon made a very appropriate speech showing the great importance of such a road, which if built, would when completed, connect Pittsburg with Atlanta by taking the Air Line Road, 31-2 miles below the W. C. & R. R.

A. H. Shuford, wanted to know whether the meeting was confined to the "pump" or Charlotte?

J. Hussey, Esq., made a few remarks, stating that "the object of the meeting was not to discuss any of the proposed routes, but to obtain a charter."

Mr. H. H. Shuford followed, advocating "the building of a road to Newton," but said as there was already a charter allowing the W., C. & R. R. R. Co. to build a road across and tap the W. N. C. R. R. west of Catawba river, would it not be best to consult the stockholders of that road?

Mr. J. W. A. Graham followed in a speech of some length, showing that the W., C. & R. R. R. Co. were not able to build the road; they were unable to complete their own road; and that the proposed road when built would be an advantage to the W., C. & R. Railroad, instead of a disadvantage.

Mr. A. J. Morrison spoke in favor of building the proposed road independent of the W., C. & R. Railroad, the State, or any monopoly; that the counties through which the road had to pass could build it; the thing was to go to work and build it.

Mr. Hussey, considered the discussion of the routes as irrelevant, the object of the meeting was to get up a charter.

On motion, Mr. Gaither, the chairman, appointed a Committee of five gentlemen to draw up a charter, viz: Gen. D. H. Hill, D. B. Gaither, J. Hussy, Esq., W. A. Graham, Jr., and Dr. W. B. McClain.

On motion, M. L. McCorkle, Esq., was added to the Committee.

The meeting adjourned until 2 o'clock.

After some splendid music from the "Catawba Brass Band," the meeting was called to order by the chairman.

The Committee to draw up a charter being ready to report,

On motion of Gen. Hill, the charter was read, and then voted upon by sections.

A. H. Shuford, offered an amendment to the first section, that "after the words Charlotte and Tucareeze or pump" add "or Lincolnton," upon which a discussion arose, Messrs. McCorkle and Shuford, advocating the amendment, and Messrs. Hill, Graham, Hussey, Morrison and McClain in opposition.

The amendment was put to a vote and lost.

The 1st section was then passed. The remaining sections of the charter was then adopted.

On motion of Gen. Hill, the words one million of dollars to be struck out and ten millions inserted. Adopted.

On motion, a committee of three were appointed to apply to the Legislature for a charter, Gen. Hill, J. Hussey and S. J. Morrison, were appointed as said committee.

The following preamble and resolution passed:

WHEREAS, It is desirable that as much information as possible should be spread abroad respecting the projected Catawba Valley Railroad; therefore,

Resolved, That the Chairman, Dr. C. L. Hunter, be requested to write an article, at his earliest convenience, setting forth the agricultural, mineral and other resources of the section of country through which this Road will pass, and publish the same in the Charlotte and other State papers friendly to the same.

On motion of M. E. Laurance, Esq., it was

Resolved, That the Raleigh SENTINEL and *Southern Home* be requested to publish the proceedings of this meeting.

On motion of J. P. Murrill, Esq., the meeting adjourned.

Roxboro' Dec. 14, 1870.

EDITOR SENTINEL:

Dear Sir: While writing on business, I will simply say that there are two things the great mass of the people, so far as my acquaintance extends, most ardently desire and demand of the present Legislature, to wit: 1st, The impeachment of Gov. Holden and Judge Pearson; 2d, The call of a Constitutional Convention.

As to the first, it is demanded by a proper observance of a healthy public policy. Holden and Pearson have denied to a portion of our citizens some of the most sacred rights recognized by civil government, and the people will not be satisfied if they are allowed to go free of that punishment their crimes so richly deserve. It will not do to rest this matter on a change of the constitution and a healthy state of public opinion, so as thereby to put it out of the power of these men ever hereafter to hold office; but, having committed crime, there should be meted out to them the just demerit of the crimes. If a poor, ignorant negro steals a hog or sheep, to satisfy the cravings of hunger, he is arrested, tried, and if found guilty, put in the penitentiary for several years perhaps. But Holden and Pearson, who ought to have a much higher regard for the fundamental laws of the land than it can be reasonably claimed a recently emancipated slave can have of the principles of honesty, have invaded the sacred rights of freemen, and shall they be allowed to escape just punishment simply because they hold high and important positions? No, never. The higher the mark, the more steady should the aim be; the larger the game, the more diligence should be observed to capture it. Nothing short of their impeachment will serve the ends of justice or meet the demands of an outraged people.

As to the second point, the people are heartily sick and tired of the present constitution, and the machinery that has been put in operation under it; and I think the general sentiment is in favor of a convention, as the most expeditious and economical way of getting rid of the present iniquity. WHAT THE CITY PRESS SAY:

PRIZE DRAWING.—Quite a crowd assembled at the Theatre yesterday noon, to witness the Grand Drawing of the North Carolina Beneficial Association. There were 100 prizes in all, and little rolls of paper separating these were placed in a wheel on one side, while the tickets were in another wheel opposite to the former. Between the two was a table, at which sat the Judges and Mr. John London, Commissioner. The wheels were made with glass sides, so that everything within them could be seen and were securely locked, until the drawing began. This was done by means of two little boys, who were securely blindfolded, one drawing a number from one of the wheels and the other the prize to correspond with it. There is no question but that the drawing was done in a perfectly fair and just manner.—Wilmington Daily Journal, Dec. 2nd.

THE GRAND DRAWING YESTERDAY.—The grand single number distribution of the N. C. Beneficial Association, which took place at the Theatre yesterday, at 1 o'clock, was the all-absorbing theme during the day. The drawing took place in public, a committee having been selected from the audience to act with the Commissioner in keeping an account of the same and to see that it was conducted fairly. Quite a respectable crowd was present to witness the drawing. The following numbers drew the principal prizes: No. 4618, $5,000; No. 4436, $2,500; No. 3726, $2,500; No. 4842 $2,000; No. 1497, $2,000; No. 4122, $1,000; No. 1496, $500. The Certificate No. 1497 was sold to a citizen of Wilmington, N. C.—Wilmington Morning Star, Dec. 2nd.

THE

WIDOWS AND ORPHANS

BENEFIT LIFE INSURANCE COMPANY
OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON FORFEITABLE, WHOLE LIFE AND ENDOWMENT POLICIES, on the Mutual Cash Plan, declaring dividends annually after the first annual premium paid. Assets exclusively Cash, with no portion of its reserve fund in premiums notes, consequently its "reserve" is stronger than that of any company doing business in this State. No "definite surrender values guaranteed" as an inducement to new business, but reference is made to the average amount paid on each surrendered policy, as shown by the New York Insurance Reports, 1869, as evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." Death losses have not occurred out of several hundred policy holders in this State, which fact must establish the better ability of the Company to pay larger dividends than companies having an excessive mortality, the result of a selection of bad risks. "Fictitious Dividends are not declared, but dividends are given from the actual surplus, in accordance with the Company's charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES.

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation for judgment of investment, economy of management, and skill and care in the selection of risks; upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the cash value of their Policies, each and every year, and a certain legal standard of reserve and accumulation must be held by the companies to meet all their liabilities.

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its Cash assets are upwards of $50,000,000 00, and constantly increasing.
2. None of this is made up of Promissory Notes, as in many Companies.
3. Its Cash Income per annum is over $6,500,000 00, and steadily growing larger.
4. None of this is composed of the notes of hand of policy holders, as is the case in many Companies.
5. It has paid to Widows and Orphans, and other claimants under policies on deceased members, about $4,000,000 00.
6. Such payments are made in Cash, and not partly in Cancelled Notes, as is the case in many Companies.
7. No deductions are made from the face of a Policy, for Premium Notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $2,500,000 00, and upwards, in cash divided among Policy-Holders, (this included the dividend for the present year,) as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the Stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available, as case in payment of Premiums.
11. The dividends are made from the start, and not postponed until the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy holders.
13. The Equitable has made more progress since its organization than any other Life Company in the World.
14. Its risks have been so carefully selected, and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other Company in the World.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment Policies."
17. The amount of new business during the year, ending December 1, 1869, was $51,021,041.
18. Its Policies average larger in amount than those of any other Company, showing that Capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many Companies.
20. It is as liberal in the conduct of its business as is consistent with the safety of the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business, as is the case with many new Companies.
21. It is the favorite Company in the United States, as is shown by its new business last year, being nearer $13,000,000 greater than any other Company.
